

سورة الضحى

The Morning Light

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

In the name of Allah, the Most Gracious, the Most Merciful

وَالضُّحَىٰ

Wad Dhuhaa

By the beautiful morning light

وَاللَّيْلِ إِذَا سَجَىٰ

Wal Layli Izaa Sajaa

And by the night when it is still

مَا وَدَّعَكَ رَبُّكَ وَمَا قَلَىٰ

Maa Wadda'aka Robbuka Wa Maa Qolaa

Your Lord has not left you, nor is He unhappy (with you)

وَلَلْآخِرَةُ خَيْرٌ لَّكَ مِنَ الْأُولَىٰ

Walal Aakhiratu Khoirul Laka Minal Uwla

And surely, the life after death will be better for you than the present life

وَلَسَوْفَ يُعْطِيكَ رَبُّكَ فَتَرْضَىٰ

Walasawfa Yu'thika Robbuka Fa Tardho

And for sure, your Lord will give you till you are well pleased

أَلَمْ يَجِدْكَ يَتِيمًا فَآوَى

Alam Yajidka Yateeman Fa Aawaa

Did he not find you an orphan and He gave shelter

وَوَجَدَكَ ضَالًّا فَهَدَى

Wawajadaka Dhollan Fa Hadaa

And did He not find you lost and He guided you?

وَوَجَدَكَ عَائِلًا فَأَغْنَى

Wawajadaka Aa Ilan Fa Aghnaa

And did He not find you independent and He made you independent

فَأَمَّا الْيَتِيمَ فَلَا تَقْهَرْ

Fa Ammal Yateema Fa Laa Taqhar

Therefore, do not be harsh with the orphan,

وَأَمَّا السَّائِلَ فَلَا تَنْهَرْ

Wa Ammas Saa Ila Fa Laa Tanhar

Therefore, do not let the beggar away (without giving him).

وَأَمَّا بِنِعْمَةِ رَبِّكَ فَحَدِّثْ

Wa Amma Bi Ni'mati Robbika Fa Haddis

But the Blessing of your Lord you should talk about.
